Web Server Logs

In the process of administering this site, we maintain and track usage through Web server logs. Web server logs provide information such as what types of browsers are accessing our site, what pages receive high traffic, and the times of day our servers experience significant load. We use this information to improve the content and navigation features of our site. Anonymized or aggregated forms of this data may be used to identify future features and functions to develop for the site and to provide better customer service.

How We Use Your Information

In accordance with GDPR and LOPD, SCYTL informs Users that their personal data are subject to automatized processing and stored in a filing system created by and for SCYTL, under its responsibility. Users may exercise their access, rectification, cancellation and opposition rights to the processing of their personal data before SCYTL by:

- Request sent by email to privacy@scytl.com
- or by post mail, addressing a signed letter to
SCYTL SECURE ELECTRONIC VOTING, S.A.
Security Department,
Carrer Enric Granados, 08008-Barcelona (Spain).

The request shall contain the following details:

- name and surname of the Users,
- address for notices,
- copy of the ID or passport, and
- the specific petition with regard to rights that are being exercised.

SCYTL shall respect the secrecy and rightful treatment of the Users personal data so as to impede the alteration, lost or non-authorized access to such personal data.

How We Share Your Information

SCYTL does not provide personal data to any third party.

Our Commitment to Data Security

Scytl is concerned about the security of your information. To prevent unauthorized access or disclosure, to maintain data accuracy, and to ensure the appropriate use of information, we have put in place reasonable physical, electronic, and managerial procedures to safeguard and secure the information we collect online. We use encryption technology when collecting or transferring sensitive data.

Our Worldwide Practices

SCYTL is a global corporation with subsidiaries and business partners in many countries, and with cross borders technical systems. Our privacy policy is designed to protect your personal information all over the world.
